Learning Specialist

I am a specialized adult educator and trainer with more than 13 years of experience building curricula and creating instructional materials. I have specialized in live virtual teaching and educating through interactive learning modules hosted in LMS's. My experience also extends to teaching in-person classes and sharing ideas via public speaking for audiences of 500+.

My theoretical background is in childhood and adult education, language learning, and more recent non-formal studies and certification following current developments in e-learning and adult education.

With my business, that I ran by myself (with the help of contractors) for 10 years - doing everything from product development over marketing and sales to customer service -, I sold electronic sewing patterns, e-books, e-learning courses, and magazines to customers in more than 30 countries all over the world!

Technical Skills: Full proficiency in working with Adobe Creative Suite, Google Suite, Microsoft Office Suite, Articulate 360, Camtasia, Zoom, Canva, WordPress, basic HTML, Canvas LMS, and LearnDash LMS.

WORK EXPERIENCE

International Center for Language Studies • New York City Metropolitan Area • Full-time Course Instructor & Trainer • 08/2022 – Present (*Temporary contract position*)

- Developed and designed curriculum for virtual training to expedite growth from zero knowledge of the target language to level 2 proficiency in 26 weeks by utilizing current adult learning theories and e-learning principles; curriculum used exclusively by US government employees preparing for cultural immersion.
- Created interactive e-learning material using Articulate Rise 360 and Storyline and Adobe Creative Suite.
- Provided virtual language instruction via Zoom using Canvas LMS, Adobe Creative Suite and Powerpoint to facilitate the online learning experience.
- Developed and deployed training of future language teachers

MariaDenmark Sewing Life • Denmark & United States • Full-time Learning Designer and Owner • 11/2012 - 08/2022

- Oversaw the design process, project managed, and collaborated with 5 internationally located contractors to create and publish up to 10 online courses and e-zines annually.
- Developed comprehensive e-learning materials that include instructional videos showcasing the advanced features of Adobe Creative Suite tools such as Illustrator, Premiere Pro, Photoshop, and InDesign.
- Taught live and virtual workshops and classes

- Developed software and customer service training for contractors.

LOF Holbæk • Holbæk, Zealand, Denmark • Part-time

Community College Instructor • 10/2012 - 01/2014

- Developed and deployed a curriculum to enable senior citizens with no or very little IT experience to use the online and government-required Easy-ID and email-box, as well as basic Microsoft Office use. Taught three different levels with an average passing rate of 92%.

Tømmerup Skole • Kalundborg, Zealand, Denmark • Full-time

Teacher & Team Leader • 08/2007 - 09/2012

- Researched and implemented pedagogical theories and didactic methods to integrate neurodivergent students in a standard classroom setting with a 75% success rate
- Implemented anti-bullying protocols, resulting in a significantly increased student-happiness index
- Restructured the Middle-School department into a fluent learning experience, with students primarily grouped by preferred learning strategies and interests, rather than solely by age and grade.

Schools in Copenhagen and Roskilde • Part-time / Full-time

Temporary Teaching Positions • 01/2001 - 07/2007

- Taught Danish as a Second Language & Cultural understanding to adult immigrants and refugees. Worked with refugee children in Red Cross refugee centers and had temporary teaching positions in primary schools.
